Danse espagnole

"Spanish Dancer" (Toulouse-Lautrec)

Pam Wedgwood

The sound of a Latin rhythm always makes me want to get up and dance! Abandon your inhibitions in this piece and allow yourself to be transported to a Spanish fiesta. Play at a speed you can manage, with lots of energy.

"And hand in hand, on the edge of the sand, / They danced by the light of the moon." — Edward Lear

With a Latin feel (♩ = 100-112)
