The Pearl Fishers' Duet

Au fond du temple saint

At the age of eighteen Georges won the Prix de Rome, a prize only awarded to the most promising French composers of the day, which paid for a period of study in Italy. During this time Georges decided that he wanted to be an opera composer. *The Pearl Fishers* was his first important opera, although it was not a success at the time.

Georges Bizet
(1838–75)
