Side Notes:

-In February of 2001, two days before Valentine's day, I stayed up until 2:00 in the morning finishing the first draft of this song. The next day I drove to Stacy's school with a bouquet of flowers and a binder full of my music. This song was included. This is significant, because it was the first time I had ever given her a hint that I liked her. To make a long story short, by April we were engaged and we were married in July. Now we're living happily ever after.
