# Rise Up

“Parliament in London” (Monet)

Pam Wedgwood

In this magical setting Monet depicts the sun gently breaking through the early morning mist. In my interpretation I introduce the chimes of Big Ben to set the scene, culminating in the sun rising as the piece comes to a dramatic close. Play peacefully and in a romantic style.

*“In spite of everything I shall rise again: I will take up my pencil, which I have forsaken in my great discouragement, and I will go on with my drawing.” — Vincent Van Gogh*
