Side Notes:

-Puerto Rico is a small town in the rainforest of Northern Argentina along the border of Paraguay and Brazil. This song reminds me of the soccer games, BBQ's, and good times spent with my friends and those who I consider family in this great country.

-On page 6 and 7 you can have a friend play the bottom hand to make it easier, but if you practice, you really can play what's written without a 3rd hand.
