*did you know* The former members of the Spice Girls, including Mel C, got together in February 2003 for a 'chat'. Rumours were rife in the British tabloids that they'd decided to reunite due to fading solo fortunes. But nothing concrete has emerged, and Mel C's career has been going far better than most of her former colleagues.

The first system of piano accompaniment features a treble clef with a key signature of three sharps (F#, C#, G#) and a 4/4 time signature. The bass clef is mostly silent, with a few notes appearing at the end of the system. The treble staff contains a series of chords, primarily triads, in a steady 4-beat rhythm.

The second system of piano accompaniment continues the chordal pattern from the first system. The treble clef shows a sequence of chords, while the bass clef provides a simple harmonic foundation with single notes and dyads.

The third system of piano accompaniment introduces a change in the bass line with the F#m and Bsus4 chords. The treble clef continues with its chordal accompaniment, and the bass clef provides a steady accompaniment.

The fourth system features the vocal line in the treble clef and piano accompaniment in the bass clef. The lyrics are: "Peo - ple see dif - fe - rent things — when — they — look — on the ho - ri -". The piano accompaniment continues with a consistent harmonic support.
