Side Note from Jennifer: This is my first hymn arrangement. It came about because my brother asked me to arrange something for his book. When playing this song, I am expressing my testimony. The last section of the song should be played as if one were experiencing difficult trials and sought help and comfort through a plain and simple prayer.

To get the desired effect, play the first of the song very softly. The echo of "I Need Thee Every Hour" should barely be heard. Continue to hold down the last note of each phrase when you lift the pedal, so the note can still be heard while the next phrase is playing. Release the note only a few beats before that hand starts to play again.

I Know That My Redeemer Lives/ I Need Thee Every Hour Medley

Arranged by
JENNIFER TONIOLI SMITH

The musical score is presented in three systems, each with a grand staff (treble and bass clefs). The first system begins with a piano (*pp*) dynamic marking and includes the instruction "With Pedal". The second system starts at measure 5. The third system starts at measure 10 and includes a piano (*p*) dynamic marking. A large, semi-transparent watermark of the letter 'O' is centered over the middle of the page, overlapping the musical staves.
