Más información

For this *Duetto* to resemble a duet, the melody needs a different character from the bass. The harmonic shape has been skilfully judged – it's like a piece of musical elastic, stretching and relaxing, but never fully at rest. At the heart of a convincing performance will be your ability to coax a tune from the thick texture, with touches of pedal to sidestep any unstylish blurring. A *leggiero* touch will serve you well.

**Duetto** No.6, Op.38

Felix Mendelssohn
(1809–1847)

Andante con moto ♩ = 92
