Cou Cou

François Couperin (1630-1708)

François Couperin, detto "il grande", fu organista e clavicembalista francese. Compose molta musica profana e sacra e seguendo la moda del tempo scrisse pure brani a imitazione delle campane e del canto degli uccelli. In questo caratteristico brano, con un fraseggio particolare, viene proposto il tipico verso del cucù. Ricordiamo inoltre una sua importantissima opera pedagogica dal titolo *L'art de toucher le clavecin*, in cui dimostrò, tra i tanti insegnamenti, pure l'utilità di utilizzare il pollice nelle esecuzioni al clavicembalo.
