Side Notes:

- This song was originally written for my school reflections contest. In Jr. High I started writing music because I heard that the first place winner of the PTA reflections contest received \$50. I was determined to win. Each year I would come up with a new song, and I started to get better and better at writing music. (I took home \$50 a few times too.)
- To spice it up a bit and have some fun, play it an octave higher and change tempos during the transitions within the song.
- By the way, the middle is my favorite part.
