1. Yo Jam, this is a letter to you, it's been a while, but it's been hard for me to get in the booth,  
Was there two hours after you passed, speeding east to west, silent in the back of the car,

since we last spoke, I've become a father of two, trying to live life with a smile but that's been harder to do.

'Cause all I wanna do is talk about you, but these tears won't let me talk about you, we should've known that we'd be lost without you,  
'Cause you were there from the start, the day we met, yeah I moved in and we were never apart, people assumed that we were lovers,
