Side Notes: I worked on part of this arrangement while attending banking school in Seattle. Classes run for two weeks straight and the majority of the attendees are married and away from their families. Being gone from family for this amount of time is not easy and it makes a person really appreciate what they have. Many times I think we don't realize how good things are until they are taken away from us. One of the keys to happiness is recognizing the good things we have and enjoying them before they are gone.

# I Need Thee Every Hour

Arranged by  
**JASON TONIOLI**

The musical score is presented in three systems, each with a grand staff (treble and bass clefs). The first system begins with a piano (*p*) dynamic and an 8va octave marking. The second system includes a *rit.* (ritardando) marking and a change in time signature from common time to 3/4. The third system starts at measure 8 and concludes with a final cadence. A large, semi-transparent watermark is centered over the middle of the page.
