Ladies and gentlemen, fellow Americans, lady Americans, this is James Brown. I want to talk to you about one of our most deadly killers in the country today. I had a dream the other night and I was sittin' in my living room-dozed off to sleep so I started to dreamin'. I dreamed I walked in a place and saw a real strange object standin' up and talkin' to the people. And I found out it was Heroin, that deadly drug that goes in your vein. It said:
