# Midnight

This song is based on the Duke Ellington classic called "In a Sentimental Mood." Although a large portion of jazz is based on swing there is also a lot of jazz that has straight eight notes. Latin jazz, funk, and ballads are also an important part of the jazz language. I recommend listening to the recording of Duke Ellington and John Coltrane playing "In a Sentimental Mood." This is a timeless recording and will help you get a sense of what the jazz ballad is all about.
