Side Note: I love certain parts of the verses in this song. My favorites include, "Angels above us are silent notes taking, of every action, then do what is right. Do what is right let the consequence follow, Battle for freedom in spirit and might; And with stout hearts look ye forth till tomorrow. God will protect you, then Do what is right. Do what is right, be faithful and fearless. Blessings await you in doing what's right."

Sometimes it isn't always easy to do what is right. Throughout history, brave men and women have been punished and sometimes killed for standing up for what they knew to be right. It is comforting to know that even if the consequences may not always be what we want, God will protect those who stand up for truth and right, whether it is in this world or the next.

Do What Is Right

Arranged by
JASON TONIOLI

The image displays a piano arrangement of the hymn 'Do What Is Right' in E major and 3/4 time. The score is presented in four systems, each with a grand staff (treble and bass clefs). The first system begins with a treble clef, a key signature of one sharp (F#), and a 3/4 time signature. The first measure of the treble staff includes a dynamic marking of *mf* and a chord symbol 'E' above the staff. The music features a steady eighth-note accompaniment in the bass and a more melodic line in the treble. A large, semi-transparent watermark is centered over the second and third systems of the score.
